

Lecture 18

Announcements

- My apologies– p3_milestone_2 grades and feedback have been delayed for half the class due to a family emergency. Please expect grades and feedback to arrive Thursday. Until then, please utilize feedback from the Monday playtesting session.
- 298 capacity was increased to 80.
- [The world's most famous fighting game player vs Sans Undertale.](#)
 - Something to be said about enthusiasm and drama-- viewers love anything that comes across as investment.
 - Can you think of another art form that inspires such visceral emotion as videogames? (there are quite a few, but it's good company).

Course : Wolverine Soft Studio (ENGR 255, 355, 455)

- [Make games with a large student-run studio.](#)
- Flexible time commitment (depends on how many credit hours you elect).
- Improve your technical / organizational skills along with your portfolio.
